Guests: Code Enforcement Officer Gary Brecker

Call to Order: The Chairman, having declared a quorum present, opened the meeting at 7:04.

Approval of Minutes: The Secretary read the minutes of the June meeting. There was not a quorum for the July meeting. A motion to approve the June minutes was made by Jason and seconded by Angela. Approved.

Solar Law: The latest draft of the solar law was discussed. Tish pointed out a typo. A vote will be considered at the next month's meeting.

National Fuel Resources: The application for a temporary special use permit from National Fuel Gas Supply Corp. was reviewed and discussed. The Code Enforcement Officer provided a response from the Erie County Environment and Planning Officer. The Officer had no problems with the issuance of the permit. The CEO informed us that the access road is approximately 10 feet wide. The access separates the staging area from the adjacent farm land. A string fence with flags has been erected on the farm land side of the access road. The CEO also informed us that silt fences have been installed to prevent soil erosion.

A motion to recommend to the Town Board to issue the Temporary Special Use Permit including special conditions, was made by Tish and seconded by Jamey. Carried.
A copy of the recommendation letter is attached.

Adjournment: Tish made a motion to adjourn the meeting and seconded by Jason. Carried. Meeting adjourned at 8:10pm

Respectfully Submitted
Lynda Ostrowski
Secretary
